

## Unlock Your Full Potential With Scoremaster<sup>®</sup>

### \$1 Million Family Fraud Insurance

There is a new victim of identity theft every two seconds<sup>1</sup>

- That's why we offer zero deductible \$1 Million Fraud Insurance for your whole family residing in your household.<sup>2</sup>
- Covers out-of-pocket expenses for ID recovery and pre-existing fraud you didn't know about.

### PrivacyMaster<sup>®</sup>

87% of people say data privacy is a human right<sup>3</sup>

- Yet, websites expose and sell your private information every day.
- Directly request removal of your private information<sup>4</sup> with a simple swipe, and PrivacyMaster<sup>®</sup> continues to scan data broker websites for your information.

### 24/7 Credit Monitoring

Every year, over one-third of people identify errors on their credit report that negatively impact their score<sup>5</sup>

Receive immediate alerts for payments due, changes to your credit report, and possible fraudulent transaction activity.

### ScoreBuilder<sup>®</sup>

120-day plan to take action and get more points<sup>6</sup>

The plan calls out what is helping and hurting your score and develops a step-by-step guide to reach your goal score, complete with how-to videos and the Action button for direct communication with the source.

### ScoreBoost<sup>™</sup>

Want to know how your payments can increase your score?

With ScoreBoost<sup>™</sup>, you will know exactly how much to pay and when to reach your target score faster. ScoreBoost<sup>™</sup> evaluates your credit utilization rate by analyzing your credit card accounts and then calculates the amount of points you can gain when you make payments.

### Money Manager

All your finances in one convenient place

- Get instant statements from your accounts whenever you want.
- Ask questions and resolve problems directly with creditors.

<sup>1</sup> IdentityForce, 2019. <sup>2</sup> Free with your membership. Activation is required. Provided by Voyager Indemnity, an Assurant Specialty Property company. <sup>3</sup> IDX Survey. <sup>4</sup> Removing your private information may take 1 to 45 days, depending on the websites responsiveness. <sup>5</sup> Consumer Reports, 2021. <sup>6</sup> This feature unlocks if you have negative credit data. Your results may vary and are not guaranteed.
