## What is the Ease Innovation Conference 2019?

The Ease Innovation Conference is a two-day, comprehensive event for insurance agents and agency staff considering or currently using Ease. The conference is designed to educate the national broker community on crucial industry topics and provide details on newly available features on the Ease system. There will be informational sessions, networking opportunities, and the chance to connect with Ease team members and the Ease community.

## Conference Highlights

### Information

How to get the most out of the Ease system.

Hear from Ease's founders, David Reid and Courtney Guertin as they present on the Ease vision and product roadmap.

### EaseConnect+:

Which carriers have we partnered with and what to expect.

### Payroll:

Everything you need to know about payroll integrations.

### EaseHR and Onboarding:

How to meet the growing needs of your clients.

## Inspiration

Success stories and best practices from industry pros.

### Fireside Chat:

The Future of Work

### Ease Tech Talk:

Carrier Connectivity Revolution

## Networking

Face-to-face interaction with peers in the industry.
