Product Portfolio¹

Accident Cancer Critical Illness Disability Hospital Indemnity Life

¹May not be available in all states

We are committed to providing superior products and services using state-of-the-art technology, exceptional customer service and compassionate claims administration. Our goal is to put people ahead of policies and always do the right thing.

Technology:

Product plan templates make case builds simple and easy - no need to attach applications, or print and scrub paper apps!

Product Solutions:

The Ease Plan Library includes pre-built Guaranteed Issue offerings for the most popular Accident, Critical Illness, Group Whole Life and Hospital Indemnity products.

Partnership:

Together, Allstate Benefits and Ease offer simple enrollment solutions in a self-service environment with full integration to ensure a smooth enrollment process.

Data Integration:

An electronic file feed transmits adds, terms and changes automatically on the 1st and 15th of each month.

Industry-leading products and services from a brand you can trust.

- Products that complement an employer’s core benefit offering and are competitive in the market
- Wide range of value-added services that enhance an employee’s personal and financial security
- Ongoing commitment to product innovation to ensure we’re relevant to employee needs and industry trends
