Why Ease & Assurity?

Ease and Assurity are partnering to make it easier for you to offer and manage Assurity's worksite plans.

Direct Submission

Submit and send required enrollment data to Assurity via Ease. Changes can be made in Ease, and any adds, changes, and terminations will be automatically sent to Assurity on a weekly basis.

Add New Lines Of Coverage

Increase your commission by easily adding new lines of coverage. This connection supports Assurity's accident, critical illness, hospital indemnity, disability, and whole life plans.

Always Up to Date

You can monitor the status and activity of all enrollments connected to Assurity directly in Ease. There's no need to guess where forms are or what the status of an enrollment or termination is.

This connection supports new and existing business. Groups wishing to use the connection must have an established account structure before setup.

How to Get Started

If you are a current Ease customer, please contact your Customer Success Manager or request more information by creating a ticket in the Ease support community. If you are not a current Ease customer, please contact requestinfo@ease.com to set up a demo.
