

NOBODY GETS SERVICE LIKE COASTAL

As one of the fastest growing payroll and HR organizations companies in the country for the last 15 years, we've built our entire business on exceptional customer service through our relationships, which includes brokers. We believe in taking great care of people, as evidenced by the partnerships we have developed over the years.

WHAT COASTAL BRINGS TO THE TABLE

A dedicated service representative for your clients

Full integration of your clients' insurance solutions

Team of specialists to support implementation and integration

Client training to ensure long-term success implementation and integration

Industry-leading technology that brings automation implementation

Seamless transitions as data is moved over

Custom plans built within our integrated technology platforms

Support to help clients keep current systems or move to our systems

Our Net Promoter Score of 70 is a reflection of how satisfied customers are.

WHY BROKERS LOVE WORKING WITH US

- We value relationships above all else.
- We make you look good, in the eyes of your clients, by bringing the best in customer service and solutions to your clients.
- Our integrated team takes the weight off your shoulders, by deploying those integrated solutions after you share the client details. We do the heavy lifting.
- We have a robust HR consulting service that clients can turn to if necessary, as an add-on. We can help you extract clients off PEOs.
- We bring customized, long-range strategies to clients to help them overcome their hurdles.
