## What it does

Pays for regular cleanings and covers all or part of other procedures, such as fillings, crowns, root canals and braces, based on your employer's plan.<sup>1</sup>

## How it works

Twice yearly, you can visit the dentist for a cleaning and exam. If anything else needs to be done to keep your teeth healthy, we'll cover all or a portion of the cost, depending on your plan.<sup>1</sup>

## What it doesn't do

Cover all costs for all dental procedures. Check with your benefits representative for your company's specific plan details.<sup>1</sup>
