

Ease Benefits Administration Solution

Ease is the **#1 rated benefits administration and HR software** for businesses with 2-250 employees, powered by insurance brokers.¹

When it comes to your benefits package, one size doesn't fit all; and with today's multi-generational workforce, it is imperative to offer benefits that fit employees' diverse needs. LegalShield and IDShield are two benefits that provide value regardless of age or life stage.

Employers need to expand and diversify their benefit offerings to attract and retain the best talent. Legal and identity theft protection benefits are a popular ask amongst employees. With Ease, enrolling in benefits has never been easier.

The Benefits of Ease

Lightning Fast Setup

Create or use pre-built plans with pre-populated rates and forms.

Better Employee Enrollment

Employees have a unique login, and can view plan comparisons and access benefits information 24/7.

Track Enrollment Progress

Access an enrollment progress dashboard and even email employees yet to complete enrollment.

Make Changes

Review and make benefits and HR changes year-round.

Beyond Your Everyday Legal and IDT Benefits

LegalShield and IDShield provide direct access to professionals, comprehensive coverage and easily accessible benefits with a web portal and mobile app.
