

Ease & Beam Dental are connecting to make it easier to offer dental and vision plans and submit enrollment information.

### Simple Setup

As an EaseConnect+ connection, the Ease team will manage the entire setup of this connection for you and your groups.

### Direct Submission

Employees enroll in Beam dental and vision plans in Ease. Enrollments, as well as adds, terms, and changes, are then automatically sent to Beam.

### Fast ID Cards

Since plans are submitted directly to Beam, employees receive ID cards faster.
