One-time carrier mapping fee (applies to new carriers that are not currently published with Ease): **$500 per new carrier**

PEPM:

Agency License
- **$0.45/enrolled employee per month**

Enterprise License
- **$0.25/enrolled employee per month** ($625 monthly maximum)

* New group, initial submissions only.

† New business only.

Big Benefits for You & Your Groups

Secure Submission

Submitting enrollment data directly to partners is safer than enrollment forms. Ease connections offer your groups a higher level of data security. You're notified as soon as the carrier accepts your submission.

Better Service

Get rid of the run-around. Need to manage ongoing changes throughout the year? Easy. With Ease connections, even must-haves like ID cards reach employees faster.

How To Get Started
