Interested in self-billing for your Reliance Standard plans? Ease will work with Reliance Standard to transition your list-billed plans to self-billed. Your groups will receive an email from Reliance Standard each month when their invoice is due.

Save Time with Simplified Maintenance

Are the plans you offer with Reliance Standard self-billed? Looking to simplify ongoing plan maintenance by transitioning Reliance Standard plans from list-billed to self-billed? Self-billed plans with Reliance Standard eliminates the processing of adds, changes, and terms. There is no need to worry about processing changes or clearing discrepancies—Ease is the only source of data!

Generate Self-Billing Invoices in Ease

Ease's self-billing report allows you or your groups to calculate how much is owed to Reliance Standard each month. Calculate adjustments and identify time periods when an enrollment was missing or an employee was marked as active after they were terminated.
