

ease

Ease is benefits and HR software built for insurance brokers and employers. Ease makes it simple to set up and manage benefits, onboard new hires, stay compliant, and offer employees one destination for all their human resources information. Visit www.ease.com to learn more.

With a new innovation every two years since 1975, TASC now enables over 80,000 small, medium and large customers to leverage TASC Universal Benefit Account,[®] the industry's first and only instantly configurable cloud benefits platform, as a competitive advantage.

Grow

Win new business and expand your clients with technology.

Protect

Deepen your client relationships with a modernized benefits experience.

Digitize

One location for all your agency and client information.

Smart

One solution with one intuitive experience across all devices.

Easy

Instantly configure and create custom benefit account plans.

Connected

Choose from over 40 integrated benefit accounts.

“Culture Insurance has more than quadrupled since we started using Ease and it just keeps getting better for us and our clients.”

Nathan Craig, Culture Insurance Services

“The TASC integration with EASE makes our subscription more valuable - it saves time and improves accuracy with less room for human error”

Chris Foley, Benefits Consultant, Abbot Benefits Group

How You Benefit

Simple Setup

The Ease integration wizard and TASC's team enable this integration in a few steps.

Weekly Auto-Syncing

Enrollment data and other changes are sent to TASC on a weekly basis with no additional work from the broker.
