

Big Benefits. Bigger Rewards.

Pet healthcare plans are part of a holistic benefits package. There are no administration costs. Just happier employees!

As of 2020, **80% of employees** are pet parents. With UPC, they get the flexibility and access they want and need, including:

Instant Savings every time they visit their selected vet from our network of veterinary partners. No paper work, no wait times, no hassle.

No Limits on pet age, breed, or prior history. We take care of every pet, no exceptions.

24/7 Pet Helpline through whiskerDocs - the perfect blend of technology and expertise to assist pet owners in the everyday health and care of their pets.

Enrollment anytime throughout the year.

Employees Can Access a Network of 1,500 Vets in 100+ Cities (and Growing!)

We help pet parents ensure long and healthy lives for their pets by providing an affordable and accessible pet healthcare membership program.

United Pet Care is NOT an insurance program — meaning it doesn't have the restrictions of an insurance policy. Since 1996, we have upheld the mission of making world-class pet care accessible and affordable to pet parents everywhere.
