

# Ease & Unum Group Connection Overview

Ease and Unum are working together to make it easier to offer Unum's group benefits plans and reduce change management time by 66%.

## Direct Submission

Submit required enrollment data to Unum via Ease for various group plans. Changes can be made in Ease, and any adds, changes, and terminations will be automatically sent to Unum on a weekly basis.

## Setup Led by Ease

As an EaseConnect+ connection, Ease will work side-by-side with your agency to manage the setup of this connection for you and your groups.

## Instant Evidence of Insurability

Employees can complete Evidence of Insurability for Unum in Ease through single sign-on. Employees will make their elections, then if EOI is required, they will see an added "Insurability" step. Easily Add New Lines Of Coverage.

## Always Up To Date

You can monitor the status and activity of all enrollments connected to Unum group plans in Ease. There's no need to guess where forms are or spend time waiting for a carrier to key information in.

This connect supports new and existing business for Unum's Group Long Term Disability, Group Short Term Disability, Group Term Life & AD&D, Group Dental, and Group Vision plans.

### How To Activate

If you are a current Ease customer, please contact your Customer Success Manager or request more information by creating a ticket in the Ease support community. If you are not a current Ease customer, please contact [requestinfo@ease.com](mailto:requestinfo@ease.com) to set up a demo.
