

# Ease - Third-Party Administrator (TPA) Resource Center Access

VSP has the capability to work with a Third-Party Administrator (TPA) on behalf of your Company and your Company-offered VSP vision benefits. If authorized by you, VSP will accept electronic enrollment and/or provide secure online VSP Resource Center access for the below indicated online items.

The Health Insurance Portability and Accountability Act (HIPAA) regulations allow the use or disclosure of protected health information for the purpose of treatment, payment or health care operations, including but not limited to, arranging for TPA and auditing functions.

The Company/Organization named below (“Organization”) acknowledges and instructs VSP **to provide Ease** with the necessary secure, online access specified below on behalf of my company to manage and/or download eligibility using the VSP.com Resource Center.
