

Protection you have to see to believe

Encourages you to see an eye doctor regularly by paying all or some of the cost for eye exams, frames and lenses

One of the best ways to maintain healthy eyes is to visit the eye doctor regularly. This benefit can make those visits less costly and more convenient. We partnered with a vision network, VSP®, so you can choose a credentialed doctor at any of the 76,000 access points and over 5,000 retail chain locations.

Americans spend \$140 billion on eye and vision disorders each year²

What it does

Pays for eye exams, frames and lenses. Check with your benefits representative for your company's specific plan details.¹

How it works

Go to one of the VSP® member locations and this benefit will pay for your eye exam and many of the glasses and lenses available, if you need them. You can use any provider but going in in-network will maximize savings.¹

What it doesn't do

Pay for certain types of special lenses or eye surgery.¹
